## Newsletter w/e 6th September 2019

Dear Parent/Carer,

Welcome back! Teachers had a training day on Monday and it felt really strange in school without the children. It was much better once they appeared on Tuesday, all shiny and excited to share excitement and stories of holidays and new shoes! We have made a great start and attitudes to learning in class have been exemplary this week. Teachers are very happy with their new classes and looking forward to making great leaps in learning.

If you didn't manage to get in for the meet the teacher session on Wednesday but are unclear about anything or just want a chat, please ask the office to arrange an appointment to meet the teacher or catch them at the end of the day.

I am sending out a letter about communication next week so we can try to offer a variety of ways to find things out and not waste time using forms of communication that don't work. Please complete the form and we'll make any changes necessary. In the meantime, check on noticeboards, the website, facebook or ask in the office.

We have our first trip next week for Year Five and there will be more coming soon. Look out for information to follow.
